Introduction

Tees Valley Education's foundation and journey to date

Tees Valley Education Multi-Academy Trust (TVEd) was established in 2005, building on five years of successful collaboration between Brambles and Pennyman Primary Academies. This partnership laid the foundation for a trust committed to excellence in education and community impact. Later that year, Dormanstown joined the trust, further strengthening its reach and capabilities. In 2018, Wilton Primary Academy became part of the trust, marking another significant milestone in its growth.

That same year, TVEd proudly opened Discovery Special Academy, the first free school in Middlesbrough, providing tailored education to children with special educational needs. In August 2022, Discovery Special Academy transitioned into a state-of-the-art, purpose-designed building, enabling the expansion of its provision to include secondary-age children.

2025 is a milestone year for the Trust as it proudly marks its 10th anniversary. Over the past decade, the Trust has dedicated itself to fostering positive change and making a meaningful impact in the community. This special anniversary offers an opportunity to reflect on its achievements, celebrate the partnerships and support that have made them possible, and renew its commitment to building a brighter future. The Trust looks forward to continuing its journey towards leaving a 100-year legacy of innovation, growth, and service for generations to come.
